QUALITY MANAGEMENT POLICY

N H Etheridge (Building) Ltd is a Sub Contract Carpentry company working for Principal Construction Companies (our clients). We provide labour and materials through a supply chain however, are not a direct manufacturer of any product.

Our aim is to meet the Clients specified contractual requirements:

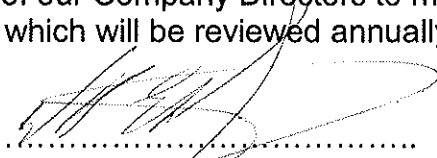

- Through our 'supply chain' supply the specified materials and of specified standards.
- To use qualified carpenters to carry out works.
- Adhere to the policy and procedures of the main contractor.

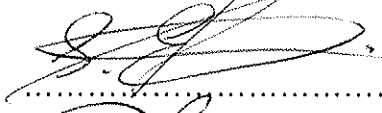

Our commitment is to:

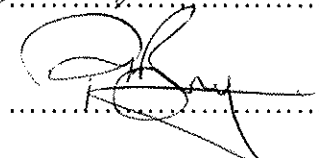

- To deliver effective, evidence based management systems in accordance to the recommendations of ISO 9001:200 and other industry equivalent standards.
- Be fully compliant with all relevant legislation.
- Source materials from sustainable resources if required by client.
- Minimise the waste of materials using an Environmental Management System compliant with ISO14001.
- Meet standards, targets and objectives set by main contractor.
- Support and develop our staff to their individual needs.
- Provide the industry will qualified carpenters through the Company apprenticeship scheme

It is a condition for all employees and sub contract labour to comply with our quality management policy in carrying out their duties.

It is the responsibility of our Company Directors to manage and monitor the success of this policy which will be reviewed annually.
